- 2. This Officer was recommended for promotion to Captain, effective 16th November, 1943. He qualified, however, on 23rd May, 1943 and the Officer Commanding No. 3 (R) Div, Supply Coy., R.C.A.S.C. now recommends promotion be amended to Temporary Captain, effective 23rd May, 1943.
- 3. It is further recommended that the amending entry include, "to be Lieutenant effective 16th July, 1942." He completed two years service and was qualified for Lieutenant at that date.
- 4. M.F.M. 287 recommending Lieut. (T/Capt.) Bloomfield to be A/Major, effective 15th December, 1944, is attached.
- 5. It is suggested, however, that a C.A.O. clarifying confirmation of Provisional rank granted under K.R. (Can.) 148 would be desirable for the information of all concerned.

With reference to your M.11-B-1258 (APSO.1) dated 11 Dec 44, it is observed that this Officer was confirmed in the rank of Captain effective 16 Nov 43.

- This action was undoubtedly incorrect since it contravenes the provisions of M.O.411 of 1939 under which he is limited to confirmation in the rank of T/Capt. It is, accordingly, proposed to amend the Gazette entry.
- This confirmation was made effective 16 Nov 43 the date recommended by the O.C. of the unit and the D.O.C. It will be seen, therefore, that the date of seniority was fixed by D.O.C., M.D.4 and was not given on an arbitrary basis under K.R. Can.148.

However, your further remarks on the question of the date of seniority will be awaited before making the amendment in Gazette referred to above.

Reference H.Q. 357-4-119 (Pers:1B.2) dated 7 Dec 43, and Supplement to C.A.O. 519/43.

- This officer was appointed Prov. Capt. -1 May 42, and confirmed as Capt. - 16 Nov 43. (See Supplement to C.A.O. 519/43).
- It is appreciated that K.R. (Can) 148 permits confirmation of provisional ranks upon qualification, but the point has arisen whether such confirmation was intended to mean - "substantive" rank - in view of M.O. 411/39.
- The O.C., 3 (R) Div. R.C.A.S.C. advises that the entry in C.A.O. 519/43 gives Capt. Bloomfield seniority over others previously senior and with longer service.
- It would appear desirable to define the application of K.R. (Can) 148 to wartime regulations such as M.O. 411/39. The opinion is expressed that K.R. (Can) 148 should be interpreted as permissive instead of mandatory in order that confirmed substantive rank of 2/Lieut. or Lieut. may be granted (with higher temporary rank according to qualification) contingent on length of service in the C.A. (R), and upon recommendation of the Commanding Officer.
- May your comments be forwarded, please. 6.
